Dear Parents and Students,

It's hard to believe that we are already into the month of January! The second marking period, end of first semester, is January 29th. As we move forward to Quarter 3, we cannot stress enough the importance of student engagement in both the in person and virtual environments. Course content is progressing and it is imperative for students to keep up with their school work. Parents, please be sure to check your child's progress on Seesaw, Class Dojo, Google Classroom or through eSchool.
